One More Meeting at DSU

Final BAA meeting before DSU may move the Art Department out of the south campus building

President Janelle Stoneking says: “the meeting on April 4th will be our last meeting at the DSU art building. We felt it was appropriate to spend one last meeting there prior to DSU evacuating the art department from the building. Our number 1 intention for this meeting is future planning, number 2 is cleaning up processes and duties for members, number 3 is to enjoy the company of our art minded friends! Please attend if you are able to because we can accomplish more when we come together than if we are separate. And please come with your thinking cat on!”

Summer workshop registration is OPEN

“Explorations” with Karen Knutson

Karen is a highly sought after workshop instructor and an award-winning artist. The workshop with Karen is actually THREE workshops – on Thursday, August 3 will be “Using Stencils & Illusionary Painting.” The next two days, Friday and Saturday, will be devoted to “Watercolor and Charcoal Pours.” The workshop offerings will conclude with one day (Sunday, Aug. 6) of “Wire Drawing.”

The workshop will be held at the main concourse at the Biesot Activities Center on the Dickinson State University campus. Air-conditioned, filled with natural light, and plenty of space!

Quotes to ponder. . .

“The artist is nothing without the gift, but the gift is nothing without the work.”

- Oscar Wilde

“The world is violent and mercurial – it will have its way with you. We are saved only by love – love for each other and the love that we pour into the art we feel compelled to share: being a parent; being a writer; being a painter; being a friend. We live in a perpetually burning building, and what we must save from it, all the time, is love.”

- Tennessee Williams

“Great art picks up where nature ends.”

- Marc Chagall
