Badlands Art Association Newsletter – October, 2016

Badlands Art Show Deadlines Fast Approaching

*Registrations due October 17 – student,
amateur and professional divisions*

The Badlands Art Show is a wonderful mix of visual art: sculpture, carvings, pottery, fiber art, drawings, paintings in all media, and photography.

Adults (anyone over the age of 15) may choose to enter the professional or amateur division. Artists in either division may enter up to 6 works in the show. Professional artists will designate their entries as belonging in one of this year's eight divisions: dimensional art, drawing, oil, acrylic, watercolor, pastel, mixed media or photography. **Complete rules and procedures may be found in the 2016 Call for Artists, which can be downloaded from the Badlands Art Association website, www.badlandsarts.com**

Children and youth from area schools, as well as homeschooled kids may enter the student division. Art teachers in the various schools will have the entry information; homeschooling families may find more information through the homeschool association in Dickinson.

Michael Dunn!

*Fargo artist to offer 2 mini
workshops and a demo*

Fargo artist and art teacher Michael Dunn will judge this year's show, and thanks to a grant from the ND Council on the Arts, Dunn will also lead a one-

hour, hands-on watercolor workshop for elementary students and then a 1½ hour watercolor workshop for junior and senior high students – both on Saturday morning. [See below for times]

On Saturday afternoon Dunn will do a demonstration of oil painting for any

interested adults.
