ZAPplication. ZAPP® enables artists to apply online to multiple art shows through one central website, ZAPplication.org. The online application process also allows artists to directly upload digital images of their artwork for jury review. The result is that all artwork in the system is in a consistent, high-quality, digital format. The digital images are presented to the jurors of each show and the system allows them to score online.

“Looking Forward with BAA”

Jennifer Stone will bring her painting and teaching skills to our summer workshop next year - June 20 - 22, 2019. Jennifer taught a four-day mixed media and collage workshop in 2016 that was thoroughly enjoyed by all who attended.

We have not yet determined what the topic will be for her time with us - but it will likely be a 3 day workshop.

We will again be working with UND to offer 1 CEU for K-12 art teachers.

Art in Action

Remember art in action? Artists sat around a model and painted, sculpted, carved, or drew it while the public watched. Anyone interested in participating during the 2018 show? If you are, make sure to check the box on the entry form so that we can mention you for publicity but we will let anyone try their hand at the process.
