DESCRIPTION OF MEDIA:

PAINTING: Painting involves the application of pigment (color) to a prepared ground such as canvas. The areas of painting consist of watercolor, tempera, oil paint, acrylic paint ink and wash.

DRAWING: Drawing is the process of moving a pointed instrument over a smooth surface to leave a mark. The mark is a line. Although it is possible to "draw with paint, or "paint" with drawing media such as oil pastel, the basic difference is that drawing media are dry. The areas consist of oil pastel, soft pastels, conte crayon, crayon, graphite pencil, color pencil, ink, pointillism, and scratchboard.

PRINTMAKING: Printmaking is a process in which an artist repeatedly transfers an original image from one prepared surface (example: wood block) to another (example: paper}. The areas of printmaking consist of relief printing, such as linoleum and wood blocks, or stamping processes such as the use of potatoes, serigraphy (screen-printing), intaglio (metal plate) and lithography.

SCULPTURE: Sculpture is a three-dimensional work of art created out of wood, stone, metal; clay, plastic, etc. The areas of sculpture consists of relief (type of sculpture in which forms project from a flat surface), modeling, carving, casting, assembly (process of joining different materials to construct a sculpture).

CRAFTS: The origin of handcrafted objects is traced back to basic needs such as cooking, wearing, or worship. These crafts may be created for daily use or totally nonfunctional. The areas of crafts consist of ceramics, glass blowing, fiber arts, basketry, metalwork (jewelry), paper, wood carving (made for daily use as bowls, utensils, furniture).

MIXED MEDIA: Any combination of the above used together.

Photography: Film or digital.

DEADLINE FOR ALL ENTRIES – October 28, 2018

Note: Students have the option of entering three additional works in the art show at an entry cost of \$1.00 per piece.
