## 2018 Badlands Art Association Honoree

### Lyle Glass

The Badlands Art Association is honored to dedicate the 2018 BAA Art Show to Lyle Keith Glass. At the age of 67, he passed away in his home on Wednesday, June 27, 2018.

Lyle received several awards and recognition for the BAA photography entries throughout the years showcasing his wildlife photography. He was able to capture unique moments of the animals that he studied and admired through the lens of his camera. As an artist, he was respected by numerous art connoisseurs.

Lyle grew up in Crookston, MN. Lyle moved to Medora, ND and worked winters at the West Fargo Stock Yard. After he graduated from Crookston Central High School he went to college at Bemidji State College in Bemidji, Minnesota and the University of Minnesota in Crookston, Minnesota. He received a degree in equine management and natural resources in 1973 from the University of Minnesota, Crookston. He went to Medora, ND in the summer of 1973 to do an internship at the Riding Stables. While there Lyle worked at the Riding Stables leading trail rides. In the evenings he would ride horse in the Medora Musical. He loved playing Teddy Roosevelt and doing the ghost ride at the end of the musical each night. Lyle's years of service to Medora and TRMF are highlighted by over 2,000 ghost rides in the Medora Musical — a featured scene he made famous by descending a steep butte on horseback, guided only by a spotlight. He fell in love with Medora and would return each summer. He left in the fall of 1980 and went to work for Van Vleet Arabians in Boulder, Colorado. He returned to Medora in the spring of 1983 and this became home.

He had a life threatening aneurysm in February 2010 which led to a change for him. He no longer did the ghost ride. By this time he was known as Cowboy Lyle, spending time downtown dressed in typical cowboy clothing, riding his horse, and giving talks/demonstrations about the life of a cowboy. He helped the Boy Scouts as they would raise and lower the flag downtown. He was often seen riding his horse through town or sitting in front of the Pizza Parlor. Many people took pictures of their kids or their family with Cowboy Lyle.

Lyle will be long remembered for his wildlife photography, his love for horses. Lyle could name each of the wild horses and their colts. Lyle received the Governor's Award as the Top Frontline Tourism Employee in North Dakota.

Lyle's heart lay deep in Badlands partnered up with his unyielding love of the wild horses that roam Theodore Roosevelt National Park.
