“Looking Forward with BAA”

Karen Knutson will bring her painting and teaching skills to our summer workshop next year - **June 25-27, 2020**. Karen will be teaching charcoal pours along with wire drawing during the 3 day workshop.

This workshop shows students how to make a charcoal pour, and then add any simple subject as the center of interest after the beginning process has dried. This process is so fun! We actually will be throwing a bucket of water on the charcoal powdered surface. (Outside, of course!) Then we will paint the subject, using watercolor, and adding collage, creating a textural masterpiece! Students may pick whatever subject they prefer (White birds or White flowers don't work well for this). Karen will demonstrate a crow or a cardinal, but Florals also work well, using the charcoal underpainting as our start. Day 3 will be Painting Landscapes with a charcoal pour beginning. The charcoal makes great markings on the trees. The first day, we will learn how to do wire drawings while the charcoal pours are drying. These are drawings that look like wire sculptures, and are done using permanent markers. Karen says, "It is truly the best thing that I've ever learned and will take your paintings to the next level!" If you struggle with drawing, you actually will do better than other accomplished artists, because wrong lines are good! Karen believes that painting should be fun, and gives lots of individual help.

Sign up for the workshop during the art show and be eligible for a \$25 dollar workshop discount.

For Photographers

Dickinson Museum Center, is planning an art exhibit featuring BAA artists for February 1st-28th, 2020. The exhibit is for photography only. Photographs need to be at the museum between January 20th and January 24th, accompanying the photo should be a card with the title, name of the artist, telephone number and the price if it is for sale. The museum will not be able to sell the art works but can and will give out the artists information. All photographs should be hand delivered to the Dinosaur museum front doors even though the display will be in the Joachim Museum wing.

NEWS FLASH

Jennifer Wheeler the 2019 show judge will be available for artist critiques during the Friday night preview and by special arrangements. See Darice or Jan for details.
