

Karen Knutson Workshop

Thursday - Saturday June 25– 27, 2020

Karen Knutson Charcoal Pours and Wire drawing

Trinity High School Art Room, Dickinson, ND.

Karen Knutson is a lifelong teacher and artist. She is a dynamic instructor, willing to work with each participant, and she will encourage you in your next steps as a developing artist.

Open to high school students through adults. Workshop schedule is as follows:

Day 1: June 25, 9:00 am—5:00 pm, Charcoal Pours: students will make a charcoal pour by throwing a bucket of water on a charcoal powered surface. Then while the pour is drying, students will learn how to do wire drawings.

Day 2: June 26, 9:00 am-5:00 pm, Painting and Collage: Using the dried charcoal underpainting, students will paint the subject, using watercolor, and adding collage, creating a textural masterpiece! Students may pick whatever subject they prefer (White birds or White flowers don't work well for this). Karen will demonstrate a crow or a cardinal, but florals also work well.

Day 3: June 27, 9:00 am-5:00 pm, Painting Landscapes: Students will be painting landscapes with a charcoal pour beginning, charcoal makes great markings on trees. They will incorporate wire drawing into the landscapes. These are drawings that look like wire sculptures, are done using permanent markers. If you struggle with drawing, you will do better than other accomplished artists, because wrong lines are good! Karen believes that painting should be fun and gives lots of individual help.

2020 workshop participants can choose which days they would like to attend or sign up for all three of the workshop dates. The workshop fees are:

\$125.00 per day or \$300.00 for the entire workshop.

If you wish to take the workshop for CEU credit UND will require that you attend all three days, which is the entire workshop.
