

# **BAA STUDENT ART SHOW 2021 Announces the ARTFUL NATURAL EARTH CONTEST ND 2021**

STUDENT ART SHOW AND COMPETITION

FIVE SPECIAL JUDGE'S AWARDS

Open to all students entering the BAA Student Art Show

Art will consist of any media and size. Must be ready to hang.

Artwork will be hung with the appropriate grade divisions and identified with the 4x6 index card attached to the entry

All artwork will represent native species to the United States and found in North Dakota. This may need some research. One entry per student.

Five categories: One **\$50 award** in each category

- \* Mammals, reptiles, or amphibians
- \* Birds
- \* Insects
- \* Plants and flowers
- \* Aquatic life

A 4x6 index card should be submitted with each entry explaining why you liked the subject and why, in your opinion you think it is important to our ecosystem. This won't influence the judge. It will identify your entry in this contest. Include your name, address, age and school attended.
