## **Student Artful Natural Earth Contest**

Within the BAA's 2021 Student show, there is a new category, Artful Natural Earth Contest ND 2021. The contest is open to all students entering the BAA Student Art Show. Their art works can be of any media and size, but they must be framed or matted and ready to hang. Artworks will be hung within the BAA Student Show grade divisions and be identified with a 4x6 index card attached to the entry. All artworks must represent native species to the United States and be found in North Dakota. Each student may only enter one artwork in this contest. The art works can be in one of five categories; 1. Mammals, reptiles, or amphibians, 2. Birds, 3. Insects, 4. Plants and flowers, 5. Aquatic life. A \$50 prize will be awarded in each of the five categories. More contest details and entry requirements can be found on the BAA website <http://badlandsarts.com/>

## “Looking Forward with BAA”

### **Karen Knutson Charcoal Pours and Wire drawing Dickinson, ND. June 23rd through June 25th, 2022**

Karen Knutson is a lifelong teacher and artist. She is a dynamic instructor, willing to work with each participant, and she will encourage you in your next steps as a developing artist. Open to high school students through adults. The following is a **tentative** workshop schedule

**Day 1: Charcoal Pours:** students will make a charcoal pour by throwing a bucket of water on a charcoal powered surface. Then while the pour is drying, students will learn how to do wire drawings.

**Day 2: Painting and Collage:** Using the dried charcoal underpainting, students will paint the subject, using watercolor, and adding collage, creating a textural masterpiece! Students may pick whatever subject they prefer (White birds or White flowers don't work well for this). Karen will demonstrate a crow or a cardinal, but florals also work well.

**Day 3: Painting Landscapes:** Students will be painting landscapes with a charcoal pour beginning, charcoal makes great markings on trees. They will incorporate wire drawing into the landscapes. These are drawings that look like wire sculptures, are done using permanent markers. If you struggle with drawing, you will do better than other accomplished artists, because wrong lines are good! Karen believes that painting should be fun and gives lots of individual help.

We will again be working with UND to offer 1 CEU for K-12 art teachers.

Mark these days on your calendar. Registration will officially begin in January.
