Attention Artists: We will be opening this workshop up for registration in January 2022. I already have 5 artists on the interested list and I think that this will fill immediately as it one of the last workshops that Karen is planning on giving in this area. If you are interested please

June 25th—27th

**Karen Knutson Charcoal Pours and Wire Drawing
Trinity High School, Dickinson, ND.**

Karen Knutson is a lifelong teacher and artist. She is a dynamic instructor, willing to work with each participant, and she will encourage you in your next steps as a developing artist. Work-

shop schedule is as follows:

Day 1: June 25, 9:00 am—5:00 pm, Charcoal Pours: students will make a charcoal pour by throwing a bucket of water on a charcoal powered surface. Then while the pour is drying, students will learn how to do wire drawings.

Day 2: June 26, 9:00 am-5:00 pm, Painting and Collage: Using the dried charcoal under-painting, students will paint the subject, using watercolor, and adding collage, creating a textural masterpiece! Students may pick whatever subject they prefer (White birds or White flowers don't work well for this). Karen will demonstrate a crow or a cardinal, but florals also work well.

Day 3: June 27, 9:00 am-5:00 pm, Painting Landscapes: Students will be painting landscapes with a charcoal pour beginning, charcoal makes great markings on trees. They will incorporate wire drawing into the landscapes. These are drawings that look like wire sculptures, are done using permanent markers. If you struggle with drawing, you will do better than other accomplished artists, because wrong lines are good! Karen believes that painting should be fun and gives lots of individual help.

Joachim Regional Museum Community Art Show 2022

Artists may bring their art pieces to the Museum from Jan 18th to 25th. The Museum is accepting all mediums and pieces should not be too large as the gridwork standards are 36" x 48" wide. Artists are limited to 7 pieces of art and the art must be framed/matted and ready to hang with a sturdy hanging system. The museum will create exhibit labels and if artists want to include a statement for a piece they may include it as well. If artists want to bring their business cards the museum will also put those out and if the pieces are for sale they can let the museum know when they come to drop them off and fill out the paperwork

Taube Museum's ND Traveling Student Art Show 2022

The traveling display will be at the Joachim Museum from March 3rd through April 18th. There are 508 pieces of student artwork from across the state of North Dakota on display. Student art from kindergarten through 12th grade are divided into the following grade categories: K - 3, 4 - 6, 7 - 8, and 9- 12. The artwork is hung salon style, which creates a visually stunning wall to ceiling art experience. The Taube opened the show in April of 2021 and its last stop will be in Dickinson through March and April 2022.
