**Joachim Regional Museum Community Art Show 2022**

Artists may bring their art pieces to the Museum from Jan 18th to 25th. The Museum is accepting all mediums and pieces should not be too large as the gridwork standards are 36" x 48" wide. Artists are limited to 7 pieces of art and the art must be framed/matted and ready to hang with a sturdy hanging system. There are some small display cases for ceramics, pottery or other 3D pieces. The museum will create exhibit labels and if artists want to include a statement for a piece they may include it as well. If artists want to bring their business cards, the museum will also put those out. If the pieces are for sale they can let the museum know when they come to drop them off and fill out the paperwork.

## June 23rd through June 25th, 2022 Karen Knutson Charcoal Pours and Wire Drawing, Dickinson, ND.

Karen Knutson is a lifelong teacher and artist. She is a dynamic instructor, willing to work with each participant, and she will encourage you in your next steps as a developing artist.

Workshop schedule is as follows:

**Day 1: June 23, 9:00 am—5:00 pm, Charcoal Pours:** Students will make a charcoal pour

by throwing a bucket of water on a charcoal poured surface. Then while the pour is drying, students will learn how to do wire drawings. These are drawings that look like wire sculptures, and are done using permanent markers. Karen says, "It is truly the best thing that I have ever learned and it will take your paintings to the next level!"

**Day 2: June 24, 9:00 am-5:00 pm, Painting and Collage:** Using the dried charcoal underpainting, students will paint the subject, using watercolor, and adding collage, creating a textural masterpiece! Students may pick whatever subject they prefer. Karen will demonstrate a crow or a cardinal, but florals also work well.

**Day 3: June 25, 9:00 am-5:00 pm, Painting Landscapes:**

Students will be painting landscapes with a charcoal pour beginning, charcoal makes great markings on trees. Karen believes that painting should be fun, and gives lots of individual help.
