Karen Knutson Charcoal Pours and Wire drawing

Dickinson, ND.

Karen Knutson is a lifelong teacher and artist. She is a dynamic instructor, willing to work with each participant, and she will encourage you in your next steps as a developing artist.

Open to high school students through adults. Workshop schedule is as follows:

Day 1: June 23, 9:00 am—5:00 pm, Charcoal Pours: students will make a charcoal

pour by throwing a bucket of water on a charcoal powered surface. Then while the pour is drying, students will learn how to do wire drawings. These are drawings that look like wire sculptures, and are done using permanent markers. Karen says, "It is truly the best thing that I have ever learned and it will take your paintings to the next level!"

Day 2: June 24, 9:00 am-5:00 pm, Painting and Collage: Using the dried charcoal underpainting, students will paint the subject, using watercolor, and adding collage, creating a textural masterpiece! Students may pick whatever subject they prefer. Karen will demonstrate a crow or a cardinal, but florals also work well.

Day 3: June 25, 9:00 am-5:00 pm, Painting Landscapes: Students will be painting landscapes with a charcoal pour beginning, charcoal makes great markings on trees. Karen believes that painting should be fun, and gives lots of individual help.
