- B. We want to start looking for a grant/funding for new standards.
 - 1. We are considering 8x4 grid standards.
 - 2. We could start with 16 and use them for elementary art displays.
 - 3. Tod has made attempts at some funding. He is waiting on a response.
- C. If Vicky Gullickson is leaving, we may need a new student organizer for the annual show.
- D. We would like to use the cage storage at White Drug going forward if that is possible.

2. Updates for the Summer Workshop

- A. 13 are registered with 11 paid.
- B. Karen is willing to take 20 participants, but 15 might fit better. Therefore, no more blanket emails because we are so close to the participation limit.

- D. The continuing education credit is approved; we are waiting to see if it can be managed through the website.
